A Season of Giving

Winter Blood Drive

Be a Holiday Hero
December 1 to January 31

Antelope Valley Hospital
Winter Blood Drive

All it takes is a few minutes of your time and a pint of your blood. That precious gift could save a newborn child, help heal an injured teen or put a neighbor back on the road to recovery. Often a single pint can help more than one patient. **Give blood during this winter season and receive a free t-shirt.** You’ll be giving new hope and life to those in need.

All donations to the Antelope Valley Hospital Blood Donor Center are used by patients at the hospital.

Call **661-949-5622** to make an appointment. Walk-ins welcome.
