

Dear Volunteer Applicant,

Thank you for your interest in the volunteer opportunities within Antelope Valley Hospital. We are proud of the compassionate service our volunteers provide to our patients, visitors and staff. Volunteering is a responsibility and a privilege.

Carefully review the attached eligibility and requirements as it will be your source of important information regarding our volunteer program.

**Adult applicants must attach one letter of recommendation from a teacher, friend or coworker.
Teens must attach one letter of recommendation from a teacher, friend or coworker along with the attached Recommendation Form and a copy of your transcript.**

Please do not submit any medical forms or tests with application, they will be requested upon acceptance into the volunteer program.

Once your application and necessary paperwork have been reviewed, you will be contacted within four to six weeks to schedule an interview. If you miss your interview for any reason or fail to reschedule your appointment 24 hours in advance, your application will be removed from our list. Be advised, the interview will determine whether or not you will be accepted into the volunteer program.

Complete and return the required forms to the Volunteer Resources office located at 44241 15th Street West, Suite 103, Lancaster, Calif. If the office is closed, please slide your application under the door.

AV Hospital is very sensitive to the impact that the economy has had on our community. We are also aware that employment opportunities at this time are scarce. Please understand that the volunteer program is not a stepping stone for employment at AV Hospital. We cannot provide the outstanding service without our volunteers and that is why it's important that we have continuity in our volunteer force. This is a difficult message to share but please join our volunteer program on the willingness to volunteer and commit to the required hours. If you are searching for a paid position, please look at the "careers" section of our hospital website, avhospital.org.

If there are any questions, please feel free to email me at dennis.mortimer@avhospital.org.

Sincerely,

Dennis Mortimer

Antelope Valley Hospital Volunteer Attendance

Due to the nature of volunteering assignments at our hospital, it is vital that our volunteers arrive on time and stay their entire shift. If a volunteer needs to leave early arrangements may be made ahead of time with their department manager.

Volunteering at Antelope Valley Hospital is a commitment to our patients, guests and staff. We ask that volunteers realize that they are to commit to not missing more than 2 scheduled shifts in any rolling 30 day period. Missing a volunteer shifts puts added pressure onto other volunteers as well as staff members.

Volunteer schedules are created with the intent of meeting the day to day needs of the hospital, and typically do not coincide with holiday or vacation schedules from home or school. If you need to go away for any time that you are scheduled to volunteer, we request that you respectfully give adequate notice to the department that you volunteer in as well as the Volunteer Resources Department.

If you are unable to be present for your shift, we ask that you make arrangements to make up your shift as soon as possible with the department that you volunteer in as well as the Volunteer Resources office.

Dennis Mortimer

Manager Volunteer Resources.

I _____ acknowledge the expectations from Antelope Valley Volunteer Resources and understand that failure to comply with the above expectations may result in the removal from the volunteer program.
